

**AFFINITY YXT 2 STAGE AIR CONDITIONERS, UP TO 19 SEER, 2 TO 5 TONS**

 **YORK**<sup>®</sup>  
INSTALL CONFIDENCE

**THERE'S A FINE LINE BETWEEN ATTENTION TO DETAIL AND OBSESSION.**

THE YORK<sup>®</sup> RESIDENTIAL AFFINITY SERIES CROSSES THAT LINE TO BRING YOU THE MOST DURABLE, SERVICEABLE AND COST-EFFECTIVE RANGE IN OUR HISTORY.

# PERFORMANCE AND DURABILITY

All Affinity systems are designed for longlasting reliability and energy-efficient performance. Replacing an old unit with a high-efficiency Affinity system significantly lowers your electricity costs. But selecting a YORK product does more than save energy, it also helps protect the environment.

- 1 Safe & reliable operation with high efficiency  
2 stage compressor with factory installed compressor blanket
- 2 Long-lasting, powder coat paint provides a durable, automotive-quality finish that looks great, even after years of outdoor exposure.
- 3 Durable steel coil guards provide protection against coil damage.
- 4 Quiet, ECM direct-drive fan design minimizes vibration and sound with swept wing fan
- 5 Technology proven in our extreme, five-year accelerated test facility.
- 6 Composite base absorbing vibrations

### Proven reliability

More than 315,000 hours of research, five years of accelerated field trials and extreme weather temperatures ranging from 60°C to -30°C.

### Advanced manufacturing

State-of-the-art quality control and assembly processes built upon the manufacturing expertise and high standards of Johnson Controls.

### Optimized efficiency

Stronger compact components delivering advanced levels of efficiency.

## VERY LOW SOUND LEVEL

The new YORK **QuietDrive™** system utilizes a swept-wing fan design, factory installed compressor insulation, composite base and highly efficient compressor technology to provide quieter operation and more energy efficient performance.

### Designed for efficiency, reliability and comfort

The innovative Scroll compressor technology in the YORK Affinity Series offers a greater efficiency than models equipped with a traditional compressor, reduces noise and gives you even comfort levels.

one of the **QUIETEST SOUNDS** around your home

#### Space and budget friendly

Quiet, small-footprint cabinets deliver big performance with features that meet your needs and fit your budget.

#### Safe for the environment

YORK uses R-410A refrigerant, which doesn't harm the ozone and keeps your system safe and efficient.

#### Awards and distinctions

Year after year, YORK units are listed among the best buys and best products on the market by recognized organizations such as Consumer's Digest and Good Housekeeping.

## FROM THE FACTORY TO YOUR HOME

### PROFESSIONALS DEDICATED TO PROVIDING YOU PEACE OF MIND

YORK designs its products to offer comfort, safety and reliability at all times. This is why they rely on a network of certified contractors with the best technical knowledge for the installation of their systems. They will provide you with the best suitable equipment for your needs and will install your system for maximum reliability and performance.

Service, quality and technical support: because nothing is left to chance, YORK has been represented for over 50 years in Canada by The Master Group, the largest independent distributor in the field of HVAC-R in Canada. For more than 65 years, The Master Group has distinguished itself for its extensive inventory, exceptional customer service and technical expertise. The Master Group is also Platinum winner of the renowned Canada's Best Managed Companies awards in recognition for its performance, service and sustainable growth. An additional insurance for peace of mind for many years.

## ACCESSORIES

Optimize your indoor comfort and preserve the health of your family by adding YORK air quality products

- Reduces risk of asthma and allergic reactions
- Very low static loss
- 5-year limited warranty

### BP Series humidifier

- Healthier occupants
- Easy installation
- Ideal for 1,000 to 4,000 sq ft homes
- Extremely low maintenance
- 5-year limited warranty

### Quality is something we take personally

Since 1874, YORK has designed and installed air quality systems in some of the most complex structures in the world. And for over 40 years, YORK is the chosen brand by Canadian consumers when it comes to ensuring year-round comfort for their loved ones. Nothing is more natural than trusting YORK with your comfort, because each unit is designed and manufactured in North America under close monitoring and according to most sophisticated industry standards, for quality assurance and reliability of products.

This commitment to excellence allows us to meet and even surpass the highest standards of quality, to offer durable products with superior energy performance and covered by warranties among the best in the industry. All this because nothing matters to us more than your confidence.
